

FLEXIBLE-LEARNING TRACKING LOG

2019-2020

INSTRUCTIONS: In order to provide instructional support and continuity during school closures, Beaumont ISD utilizes a flexible instruction method where parents/guardians manage and monitor daily instructional activities that are designed for in-home learning. Parents/guardians, as partners in education, must ensure their student engages in an adequate amount of prescribed instructional activities daily. In order to track student attendance and progress, parents must complete this form and submit it to the student's campus by the established deadline.
