School-Parent Compact
2021-2022

What is a School-Parent Compact?

A school-parent compact is a written commitment among the school, scholars, and parents. It is designed to help bridge the learning barriers between home and school. Our school-parent compact outlines ways that the school and parents will work together to ensure that all scholars succeed academically. The partnership between the school and home is extremely important in providing the best education for each scholar.

As a scholar I will

- Attend school regularly

- Complete and return homework assignments
 - Give my parents or the adult who is responsible for my welfare all notices and information received by me ●
- Respect myself and others at all times.

As a parent I will

- See that my scholar is punctual and attends school regularly ●
- Support the school in its efforts to maintain proper discipline ●
- Participate in decisions related to my child's education
- Establish a time for homework and review it regularly

As a school I will

- Provide high-quality curriculum and instruction in a supportive and effective learning environment
- Provide parents with frequent reports on their scholars progress

- Provide educational opportunities to equip parents to help their child academically ●
- On request of parents, provide opportunities for regular meetings for parents to formulate suggestions, and to participate, as appropriate in decisions about the education of their scholars.

Parental Involvement

Parents/Family participation is always invited and we welcome all families. We need your support for scholar success. Please help our children.
