

# 2024 - 2025 School Year Announcement

# King Announcement

---

At Thursday's BISD board meeting, the board will vote to close King Middle School for the 2024-2025 school. This is happening due to a decline in enrollment across all middle schools and a desire to zone students to a school closer to their home.

This means that King 6th and 7th graders will be zoned (assigned) to a new middle school beginning with the next school year in August.

# Upcoming Events

---

There are **two** important dates coming up with regards to this announcement.

- **Wednesday, March 27th @ 5:30 pm**
  - BISD (with support from Green Dot) will host a parent meeting.
- **By April 17th**
  - Families will be notified where 6th and 7th grade students will be zoned for the 2024-2025 school year.

# Time to Think

---

This can be difficult news to hear. It is okay to feel different emotions such as sadness, shock, anger, hope, uncertainty... Any way you feel is *fine* because it is how this news is affecting you!

**For the next five minutes, we are going to *silently and independently* reflect on this news and what it might mean for us individually.**

**We will think about what is challenging to hear AND how this could be a new start.**

**We will collect these reflections to share your excitement, hesitation, and questions with your new school(s).**

# Rose, Thorn, Bud Reflection

Green Dot Public Schools

Reflect about next school year.
