

2024 - 2025 School Year Announcement

King Announcement

At Thursday's BISD board meeting, the board will vote to close King Middle School for the 2024-2025 school. This is happening due to a decline in enrollment across all middle schools and a desire to zone students to a school closer to their home.

This means that King 6th and 7th graders will be zoned (assigned) to a new middle school beginning with the next school year in August.

Upcoming Events

There are **two** important dates coming up with regards to this announcement.

- **Wednesday, March 27th @ 5:30 pm**
 - BISD (with support from Green Dot) will host a parent meeting.
- **By April 17th**
 - Families will be notified where 6th and 7th grade students will be zoned for the 2024-2025 school year.

What It Means to Be an 8th Grader Now

It is okay to feel different emotions when hearing this news - but, the reality is the news is slightly different for you all as 8th graders.

You will **still**:

- End your middle school career as a King Tiger.
- Be able to participate in end of year activities like 8th grade prom and graduation (assuming you meet the requirements to participate)

You will be the FINAL 8th grade class to graduate from King Middle School.

How to Finish the Year Strong

Green Dot Public Schools

As the **FINAL** 8th grade class, you have the opportunity to shape the legacy of King Middle School. A true leadership opportunity.

Discuss as a class

What does it mean to be a leader in the school? What does it mean to support 6th and 7th graders in understanding and processing this decision?

What actions - in class and in the school - by your class would create a positive lasting legacy?

What personal commitments can you make today to ensuring that we finish the year with both learning and traditional 8th grade activities?
