Dear 8th Grade Teacher,

The student that gave you this form is interested in applying to Beaumont Early College High School. This program requires that the student be committed to a four year course of study that includes 60 hours of college coursework. In order to complete this form, you must be one of the student's current core content teachers (ELAR, Math, Science, or Social Studies) and have knowledge of the student.

Please submit recommendations directly to the student's 8th grade counselor - do not return to the student. The deadline for submission is January 24, 2020. Your responses are confidential and will not be shared with the student or the parents.

In your opinion, has this student demonstrated a work ethic that enables him/her to accomplish academic goals in spite of obstacles? Please use specific examples if possible.

What traits does the student possess that will enable him/her to be successful at ECHS?

Please provide any additional comments that will help us as we consider this student for ECHS:
