

DEVELOPMENTAL MATH OVERVIEW

Dr. Kevin Wharton- 306

Bachelor of Science, Education

Master of Education Administration

Doctorate in Educational Leadership

Email: kwharto@bmtisd.com

Phone: 409-617-6600 ext. 6647

Conference time: 5th Period & 7th Period

GRADES:

TESTS- 60%

Minor Grades- 40%

BECHS Math Department Guidelines:

1. Work must be shown to receive credit.
2. Work must be organized and written neatly **including** name on all assignments.
3. Assignments must be submitted when due. I will follow BISD handbook guidelines for late and make-up work due to absences.
4. **On test days, cell phones will be collected prior to distributing tests** and returned to students once testing is complete.

Make-Up work is the responsibility of the student. Make-up tests will be scheduled for after-school. Students have as many days as they were absent plus one day to turn in any missed assignments. After that date, zeros are recorded for missing work.

Retest: Retests will be available upon request.

Assignments: All assignments will be completed in Edmentum. Unit Tests will be completed in class. You will be able to work ahead.

Academic Dishonesty of any kind, with respect to examinations, written assignments, homework, in or out of class, shall be considered cheating. It is the responsibility of the student to abstain from cheating, to avoid the appearance of cheating, and to guard against making it possible for others to cheat. A grade of zero will be given if you are caught cheating.

CHEATING: This will result in a zero, a referral, and a meeting with your parents in which you will be issued an academic warning. All work should be done independently unless you are told directly that you may work together.

As with other violations of student conduct, cheating and/or plagiarism will result in disciplinary action."

Cell Phones (BECHS SCHOOL POLICY): Refrain from bringing any electronic devices to class. If I see or hear a cell phone it will be confiscated, as well as any other electronic device. This includes, but not limited to, any cords, ear buds, or headphones. These devices will be turned into office and a \$15 fine will be required to retrieve them. **CELL PHONES are not allowed at any time during the day. It must be out of sight, not in back pocket, not in hand, not in shirt pocket.**

SUPPLIES:

1. Pencils (required)
2. 3 Ring Notebook (1 ½ to 2 inch) (required)
3. Notebook, or graph paper for notetaking (required)
4. Box of Kleenex for the classroom (requested)
5. Colors highlighters (requested)
6. TI-30Xa Scientific Calculator, or TI-84 Graphing Calculator (recommended, but not necessary.)

TUTORING:

1. By scheduled appointment before school, or after school.
2. Make up tests will be taken after school from 2:50-4:00. Tests CANNOT be made up during your class period.
3. Conference period: 5th & 7th period.

RULES:

- 1. Be Respectful**
 - a. Talk only when you have permission. Acquire permission by raising your hand during whole class and large group activities. Permission is expected for out of seat movement, such as throwing items in the trash or going to the restroom.
- 2. Be Responsible**
 - a. Bring your 3-ring binder, paper, pencil, and **COMPLETED** assignments. Be prepared with necessary materials to begin class on time. Turn in assignments on due dates.
- 3. Be Considerate**
 - a. Help others when permitted or instructed. Keep your work area neat and clean. Share with others when permission is given.

After reading this handout, you and your parents need to sign and return the back page to Dr. Wharton by September 02, 2022.

Developmental Math 2021-2022

Please sign and return this form agreeing that you have read and understand the information on the previous pages.

I have read and I understand the “Developmental Math Overview”.
