Provide coordination, support and training for Parent Involvement campus personnel.

- District Parent Involvement Coordinator will conduct regular campus visits, monthly meetings and staff development as needed for campus personnel involved with providing parent support.

Campuses will offer training and sustained support for parents so that academic achievement can be met for all.

- Training will be offered at various times during the day and after school so that a majority of parents are able to attend.
- Translation in Spanish will be offered, if available, at training and meetings.
