403(b) certification means that the company has attested to TRS that it meets certain financial requirements and will offer products to school employees that comply with TRS rules regarding fees charged. The certification by TRS does not mean that TRS is recommending or endorsing the 403(b) provider.

X indicates company has certified that it meets the conditions established by statute (Article 6228a-5, §§ 4-13, Vernon's Texas Civil Statutes) and rule (34 Texas Administrative Code, Chapter 53) to offer this product type to Texas school district and open-enrollment charter school employees through salary reduction agreements.

N/A indicates that no representative of this company is making or intends to make any sale or offer of the company's 403(b) investment products to employees of Texas public educational institutions. Products may be sold via financial advisors or other entities not directly affiliated with the company.
