

## District of Innovation FAQ

Below is a list of frequently asked questions that may be of assistance related to the District of Innovation process.

- 1. How do I become a District of Innovation (DOI)?** Please refer to TEC 12A and TAC Chapter 102, Subchapter JJ for information on eligibility and the process to become a District of Innovation [http://tea.texas.gov/Texas\\_Schools/District\\_Initiatives/Districts\\_of\\_Innovation/](http://tea.texas.gov/Texas_Schools/District_Initiatives/Districts_of_Innovation/)
  
- 2. Am I required to notify the TEA during my process to become a District of Innovation (DOI)?**  
Yes, notification on your DOI process is required at two points: 1) *Prior* to the board of trustees' vote on the adoption of a proposed innovation plan (TEC §12A.005 (a)(2), TAC §102.1307(a)(2)) the board must notify the commissioner of education on their intent to vote; and 2) the district shall notify the commissioner of board of trustees approval of the plan along with list of approved exemptions by completing the agency form in TAC §102.1307(d).
  
- 3. What forms are necessary for my DOI?**
  - *Resolution* – the agency has no defined form for the resolution. Please consult with your legal counsel regarding your local policies. In addition, TASB has a sample resolution available on their website for reference.
  - *DOI Plan* – As each district's local innovation plan should be developed specifically for their local needs and provide exemptions that inhibit the goals of their plan, there is no standard template. Please note the requirements of a local innovation plan per TEC 12A.003, which must provide for a comprehensive educational program for the district and identify the specific TEC exemptions that inhibit the goals of the plan.
  - *Notice of Intent to Vote* - the agency has no defined form for the notice of intent to vote. Please note per TEC §12A.005 and TAC §102.1307, the Board of Trustees may not vote on the adoption of the proposed plan unless they have provided notice of intent to vote to the commissioner.
  - *Notice of Approval of Plan* – the district must notify the commissioner of their plan adoption and provide the list of approved exemptions by completing the agency form in TAC §102.1037(d). This list must match the exemptions claimed within your plan. For additional exemptions that do not appear on the agency form, please be sure to include the allowable TEC section and subsection as appropriate in the "Other" section at the end of the form.
    - In addition, please provide a link to your final plan available on your website as plans are linked to on the Agency DOI website.
    - Confer with your local counsel on other records or documents to maintain according to your local policies.
  
- 4. How do we provide DOI notices to the Commissioner?** A district may send notices by email to [commissioner@tea.texas.gov](mailto:commissioner@tea.texas.gov) and cc [accred@tea.texas.gov](mailto:accred@tea.texas.gov). Alternatively, you may mail your notices to the commissioner's office at 1701 N. Congress, Austin, Texas 78701.

- 5. Does the TEA approve my DOI plan?** No, the TEA does not have the authority to approve a district's innovation plan. However, the Agency retains the authority to engage in investigative, intervention and enforcement activities if the district is not in compliance with legal requirements for which an exemption cannot be claimed. We encourage all districts to consult with their legal counsel regarding the effect of any exemption claimed.
- 6. Am I required to post my DOI plan on the district website?** Yes, the district plan must be clearly posted on the district's website for the term of the designation as a district of innovation (TAC §102.1305(e)). This is in addition to the requirement that the final proposed version of the plan be available on the district's website for at least 30 days prior to the board of trustees vote on the adoption of the proposed plan (TEC §12A.005(a)(1), TAC §102.1307(a)(1)).
- 7. How long can I be designated as a DOI?** The term of a district's designation as a DOI is for the term specified in the plan as adopted by the Board of Trustees and may not exceed 5 years (TEC §12A.006, TAC §102.1311). For example, if a district 5 year term is implemented beginning with the 2016-2017 SY, the plan can be effective for the 2016-2017, 2017-2018, 2018-2019, 2019-2020 and 2020-2021 school years. Note that a plan can be for less than 5 years.

Can a district exempt itself from the 75,600 minute requirement in TEC §25.081(a)?** Yes, however state funding is reduced in proportion to the number of minutes by which the district's calendar falls below 75,600 minutes. To receive full funding, a district must offer 75,600 minutes (including intermissions and recesses), less any minutes waived by the TEA in writing. (Student Attendance Accounting Handbook (SAAH) 3.8 for Charters).
- 9. Can a district exempt itself from Certification requirements for Bilingual, English as a Second Language (ESL) or Special Education?** No, Districts of Innovation must comply with the requirements to have a certified educator in a bilingual, English as a Second Language (ESL), or special education classroom just as charter schools must comply with those requirements (TAC §102.1309(a)(1)).
- 10. Do I need to develop local policies for my exemptions?** Depending on the exemptions accessed within a plan the district may have to update local policies. TEA encourages districts to work with their legal counsel prior to approving their innovation plan to determine what, if any, local policies need to be updated accordingly.
