As a governmental body, BISD is subject to the Texas Public Information Act found in Chapter 552, Texas Government Code. Proposals and other information submitted to BISD in connection with this procurement solicitation or the Agreement may be subject to release as public information. If a Vendor believes that part(s) of its proposal or any other information submitted by Vendor to BISD in connection with this procurement solicitation or the Agreement contain confidential, proprietary, and/or trade secret information or otherwise may be excepted from disclosure under Texas law, the Vendor must clearly and conspicuously mark the applicable information as “CONFIDENTIAL.”

If BISD receives a request for public information involving information that Vendor has clearly and conspicuously marked as “CONFIDENTIAL,” BISD will respond pursuant to Chapter 552, Texas Government Code, which may or may not require that BISD provide notice of the request to Vendor. Vendor understands and agrees that it is solely responsible for submitting to the Attorney General of Texas each reason why the requested information should be withheld and a letter, memorandum, or brief in support of that reason. The exceptions provided by Chapter 552 for disclosure for proprietary information (552.1101), commercial or financial information that would cause substantial competitive harm if released (552.110(c)), or trade secrets (552.110(b)) may not be asserted for the following types of contracting information:

- (2) information indicating whether a vendor, contractor, potential vendor, or potential contractor performed its duties under a contract, including information regarding: (A) a breach of contract; (B) a contract variance or exception; (C) a remedial action; (D) an amendment to a contract; (E) any assessed or paid liquidated damages; (F) a key measures report; (G) a progress report; and (H) a final payment checklist.

BISD assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Vendors, and **Vendor hereby waives any claim against and releases from liability BISD, its respective officers, employees, agents, and attorneys with respect to disclosure of information provided under or in connection with this procurement solicitation or the Agreement or otherwise created, assembled, maintained, or held by Vendor or BISD and determined by BISD, the Attorney General of Texas, or a court of law to be subject to disclosure under the Texas Public Information Act.** Further, even if Vendor marks information as “CONFIDENTIAL,” **Vendor expressly agrees that BISD may disclose Vendor’s proposal, including, but not limited to, pricing information, to other governmental entities.**

¹ “Contracting information” is defined by Tex. Gov’t Code § 552.003(7) as “the following information maintained by a governmental body or sent between a governmental body and a vendor, contractor, potential vendor, or potential contractor: (A) information in a voucher or contract relating to the receipt or expenditure of public funds by a governmental body; (B) solicitation or bid documents relating to a contract with a governmental body; (C) communications sent between a governmental body and a vendor, contractor, potential vendor, or potential contractor during the solicitation, evaluation, or negotiation of a contract; (D) documents, including bid tabulations, showing the criteria by which a governmental body evaluates each vendor, contractor, potential vendor, or potential contractor responding to a solicitation and, if applicable, an explanation of why the vendor or contractor was selected; and (E) communications and other information sent between a governmental body and a vendor or contractor related to the performance of a final contract with the governmental body or work performed on behalf of the governmental body.”
